

2010 CVM FOTM BOOTH RULES

Check in times: Saturday 7:00am to 8:30am / Sunday 8:00am to 9:30am

All booths must have a 2A10BC fire extinguisher or larger (Fire Marshal requirement.) The extinguisher must have a tag indicating that it has been inspected within the last 12 months.

If you are going to buy a new fire extinguisher SAVE YOUR RECIEPT IT IS PROOF OF INSPECTION FOR THE FIRE DEPARTMENT.

Standard space size is 10 X 10 feet. Table and chair spaces are available indoors.

White 10 X 10 pop up style booths, with cross members are suggested. All booth roofs and sides must be fire retardant, with documentation. (Fire Marshal requirement.)

The labels on the booths below will have this documentation. All of the Fabric used in E-Z UP products meets or exceeds CPIA-84 flame resistance code. This includes Caravan and E-Z UP canopies. These are available at most department stores.

Construction must be sturdy and safe.

Corners of booths must be weighted. Cinder Blocks are Suggested.

Fire Safety Requirements

If you set up a booth structure at Market you must have a fire extinguisher easily accessible and with an inspection tag dated within the last 12 months. The fire extinguisher must be a 2A10BC or bigger (Those little ones don't count). All your roof and side coverings must be fire retardant and there must either be a label on the fabric or plastic, or you must have some kind of documentation with you to prove that it is fire retardant. Table coverings and wares do not have to be fire retardant. The Crescent Village Market is subject to unannounced inspections by the Eugene Fire Marshal.
